ORDER

The Court understands that the parties will file a stipulation of dismissal with prejudice in this action. *See* Dkt. No. 19-1 at 2. The Court encourages the parties to submit that stipulation promptly. For the reasons stated on the record during the hearing held on November 2, 2022, the Court declines to retain jurisdiction to enforce the parties' settlement or for any other purpose. Accordingly, the stipulation submitted by the parties should remove the recital paragraph stating that "this Court shall retain jurisdiction to enforce the terms of the Agreement." *See id.* at 11. If such language appears in the stipulation of dismissal submitted by the parties, the Court will override that language in its order.

SO ORDERED.
